

**Response to Vendor Questions for on the RFP  
for  
Computer Equipment for Remote Worker Program**

Date: April 11, 2022  
RFP Issue Date: April 5, 2022  
Bid Due: April 18, 2022, at 12:00 P.M.

One question was received from one vendor by the deadline for questions on Friday April 8, 2022. The question and answer are below. No additional questions will be accepted.

| <b>Question</b>  | <b>Answer</b>  |
|--|--|
| The only requirement updates I see are on the warranty, is that correct? | Warranty information was moved in the RFP for clarity, but there was no change to the requirement. Other changes to the requirements were to clarify that proposed laptops must have a camera and battery and identify a preferred specification as opposed to required specification. |
