APPLYING IS EASY

If you're interested in applying to one of Maine's community colleges, visit us at mccs.me.edu. You'll find links to all seven of the colleges and more detailed information about the programs of study offered at each one. When you're ready to get started, you can apply online — quickly and easily.

The financial aid office at each college can help you determine how much grant aid or financial aid you may be eligible to receive. Learn more at mccs.me.edu/aid.

Tuition and fees: \$4,156
Room and board: \$8,100-\$12,300

for a full-time, in-state student

ANNUAL COSTS

Maine's community colleges offer the lowest tuition and fees in New England. For almost 80% of our degree-seeking students, Pell Grants and Maine State Grants cover the full cost of tuition and fees. For many, the grants cover significantly more. High school graduates since 2024 qualify for the Maine Free College Scholarship that pays 100% of tuition. In all, 80% of degree-seeking students receive some form of grant aid to help cover the cost of their education. You don't have to be a full-time student to qualify for financial aid.

FREE FOR MANY. AFFORDABLE FOR ALL.

Across the state ... and close to home.

In addition to our seven colleges and five off-campus centers, Maine's community colleges offer courses online and at other locations around the state. Check with each college for information about off-campus sites in your area, or visit mccs.me.edu/programs-colleges/find-a-college.
